REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: there is no prior art that discloses the claimed method. Applicants is entitled to the priority date because all of the disclosed uses of zinc finger polypeptides in the priority document inherently require "exposing" a zinc finger polypeptide to a target sequence, as stipulated by applicants at page 9 of the Brief.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
